Ottawa University is excited that you have chosen to enhance your skills through our Professional Education Program (PEP). Since 1978, Ottawa University has offered stimulating courses for educators in Arizona to improve professional skills, personal growth and update on the latest information on new standards and state requirements. Our highly-qualified instructors help you discover new and useful ideas to apply in the school settings. Be sure to check with your Professional Development Council before enrolling. It is your responsibility to check with your local district to determine if these courses will fulfill your state/ district requirements.
